

Combustible Dust Standards Task Group

Dear NFFS,

Our foundry would like to participate in the working task group being established to review and comment on these proposed rules for Combustible Dust Hazards (CDH).

1. We are willing to:

- Review and comment on the draft rule on a timely basis
- Consider allowing OSHA representatives to tour our foundry
- Serve on the Combustible Dust Standards Task Group Steering Committee

2. The person listed below will be responsible for our foundry's active participation in this effort.
